

APAC Network

Asia-Pacific's own network

apacnetwork.com

APAC Network

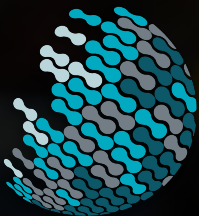

- Soft launches April 2022
- Focuses on the key sectors driving future economies
- Showcases talent, innovation and thought-leadership throughout the Asia Pacific region
- Available online, on TV and on-demand
- The Network will support AustCham xx members by:
 - *Featuring relevant experts, companies, case studies, market insights, research etc across its multimedia platforms*
- Provides members with links and content for their own use/promotional purposes

APAC Network & AusCham Vietnam Partnership

A partnership in the true sense of the word.

AusCham Vietnam

- Will support the APAC Network by:
- Including links to relevant APAC Network content on its website, EDM's etc
 - Suggesting story ideas that would be of interest to an APAC-wide audience across the various channel topics outlined on the following page
 - Connecting the APAC Network to any relevant third-parties who could mutually benefit from this partnership
 - Where possible, assistance with introductions to local universities
