MEETINGS & EVENTS BROCHURE 2023

Zannier Hotels Bãi San Hô is a luxury beach resort in Central Vietnam that is ideal to host a wide range of events within exceptional settings across 98 hectares.

## CULTURAL ENRICHMENT

**Zannier Hotels Bãi San Hô** is perched on a secluded peninsula of Phu Yen, uniting ancient rice paddy fields, verdant hilltops and kilometer-long powder white beach on 98 hectares (245 acres). The essence of the resort promotes immersion into Vietnam's rich culture. Three restaurants range from Bà Hai authentic regional cooking, fresh seafood at Làng Chài, to all-day Southeast Asian casual dining at Nhà Ở. Resembling the style of Vietnamese homes, 73 villas are dotted with hand-picked antiques, while pools and terraces offer restorative settings. The bay with its coral reef is the perfect place for kayaking or snorkelling. The Hoa Sen spa, yoga studio and reflection pool provide a serene setting for mind-body wellness. The resort hosts a meeting center composed of a conference room and a meeting room, as well as a private dining room in the main building.
