As part of the efforts to share the international knowledge and experience in adopting IFRS with the business community in Vietnam, CPA Australia would like to host an IFRS Update. The seminar will cover following points:

- A general update on IFRS adoption around the world
- Case studies on implementation of IFRS globally
- The latest IFRS standards and developments
- Proposed IFRS standards and developments in the future

RSVP to Ms. Chi Nguyen at Chi.Nguyen@cpaaustralia.com.au or (08) 3520 8338, ext. 8319

Agenda:

8.30am - 9.00am (Registration and networking)

9.00am - 11.30am (Welcome remarks & presentations & Q&A)

ABOUT THE SPEAKERS

Ram Subramanian, Policy Adviser – Reporting, Policy & Corporate Affairs, CPA Australia.

Ram Subramanian is a policy adviser in Reporting within the Policy & Corporate Affairs team at CPA Australia. Ram leverages his technical expertise to effectively communicate key messages in reporting to finance professionals and others with a stake in business and social enterprises. His key responsibilities include formulating policy positions and commenting on reporting developments, including input to developments in the not-for-profit sector. In his role, Ram is also involved in the provision of technical support to CPA Australia’s membership and other stakeholders, and representing CPA Australia in various forums. Previously, Ram has worked in senior roles within the practice sector in the United Kingdom for a number of years. Ram’s previous role involved managing the technical advisory services of a major professional accounting body in the United Kingdom.
